KT at CERN: opportunities and challenges

Wednesday, 6 September 2023 17:40 (20 minutes)

After a general introduction of KT at CERN, its activities and some examples, the talk will cover the main opportunities for CERN KT partners and the main challenges associated to the sometimes tortuous path from research to commercialization and societal impact.

Primary author: Dr ANELLI, Giovanni (CERN)

Presenter: Dr ANELLI, Giovanni (CERN)

Session Classification: E3
