

Technology & Instrumentation in Particle Physics (TIPP2023)

Friday 08 September 2023

H5: Scintillator R&D - Meeting Room 2.64 - 2.66 (12:00-13:00)

-Conveners: Etienne Auffray Hillemanns

time	[id] title	presenter
12:00	[22] Nonlinear optical spectroscopy for studying carrier transport and recombination in scintillators for fast radiation detectors	Prof. TAMULAITIS, Gintautas
12:20	[89] Doped cryogenic crystals for fundamental physics researches	GUARISE, Marco
12:40	[210] IISMA developments towards modern highly granular calorimeters	BOYARINTSEV, Andrey
