

Kruger 2022: Discovery Physics at the LHC

Thursday 08 December 2022

Session VIII (14:30-16:30)

time	[id] title	presenter
14:30	[87] Searches for new heavy particles using the ATLAS detector	PORTILLO QUINTERO, Dilia María
14:55	[88] Development of TiO-0016, a web tool for ATLAS Tile Calorimeter	KIBIRIGE, Betty
15:20	[89] Two same sign and there lepton final states in four top production at the LHC	MATHAHA, Thuso
15:45	[90] Use of kernel density estimation in searches for new resonances at the LHC	TRIPATHI, Nidhi
16:10	Tea / Coffee Break
