Type: Oral

## Proton-neutron pairing and $\alpha$ -like quartet condensation in $N=Z$ nuclei

The abstract is attached in the pdf format

### Attendance Type

In-person

**Primary authors:** SANDULESCU, Nicolae (National Institute of Physics and Nuclear Engineering (IFIN-HH), Magurele, Romania); Dr SAMATARO, Michelangelo (INFN- Sezione di Catania, Catania, Italy)

**Presenter:** SANDULESCU, Nicolae (National Institute of Physics and Nuclear Engineering (IFIN-HH), Magurele, Romania)

**Session Classification:** Session 10

**Track Classification:** Nuclear Structure, Reactions and Dynamics
