

The African Nuclear Physics Conference 2023 (ANPC2023)

Friday 01 December 2023

Workshop Session B: Opportunities for knockout reaction studies related to short-range correlations (16:35-18:05)

-Conveners: Or Hen; Thomas Aumann

time	[id] title	presenter
16:35	[352] Introduction and Overview of Short-Range Correlations	HEN, Or
17:00	Q&A; with Short Discussion	
17:05	[313] Deuteron quasi-free scattering reactions: a tool to probe nucleon-nucleon short-range correlations in atomic nuclei	PETRI, Marina
17:30	Q&A; with Short Discussion	
17:35	[315] Study on short-range correlations in unstable neutron-rich nuclei	WANG, He
18:00	Q&A; with Short Discussion
