

The African Nuclear Physics Conference 2023 (ANPC2023)

Wednesday 29 November 2023

Session 1: Opening Session (Mixed Topics) (10:05-11:10)

-Conveners: Iyabo Usman

time	[id] title	presenter
10:05	[336] Nuclear structure studies relevant for new physics searches with xenon detectors	TRIAMBAK, Smarajit
10:30	[329] Nuclear structure via Coulomb excitation	AYANGEAKAA, Akaa Daniel
10:55	[277] Evolution of the neutron 1d spin-orbit splitting in ^{35}S and ^{39}Ca	JONGILE, Sandile
