

# The African Nuclear Physics Conference 2023 (ANPC2023)

## Friday 01 December 2023

### Session 8: Mixed Topics (12:00-13:05)

-Conveners: Smarajit Triambak

time	[id] title	presenter
12:00	[337] Overview of the nEXO experiment	LENARDO, Brian
12:25	[310] The NUMEN project: nuclear response to weak interaction investigated by nuclear reactions	CARBONE, Diana
12:50	[295] Manifestation of nuclear structure in low-energy total reaction cross sections	NAUMENKO, Mikhail
