

The African Nuclear Physics Conference 2023 (ANPC2023)

Sunday 03 December 2023

Session 14: Neutron Physics (11:00-12:50)

-Conveners: Peane Maleka

time	[id] title	presenter
11:00	[286] Compact detectors for high energy neutron spectrometry	HUTTON, Tanya
11:25	[345] Physics results and perspectives at GANIL/SPIRAL2	SAVAJOLS, Hervé
11:50	[325] Experimental investigation of the (n,xy) reactions using tagged neutron method	FEDOROV, Nikita
12:05	[326] Measurement of gamma-rays emission cross-sections in neutron-induced reactions in SiO ₂ sample	FILONCHIK, Polina
12:20	[307] Production and study of neutron rich heavy nuclei.	ZEMLYANOY, Sergey
12:35	[353] Searching for the Soft Monopole	NEVELING, Retief
