

African Nuclear Physics Conference (ANPC) 24 - 28 November 2025 Information for Delegates

We are in the final stages of preparation for the fourth **African Nuclear Physics Conference (ANPC 2025)**, which is being held from **Monday 24 November 2025 to Friday 28 November 2025** at **iThemba LABS, Cape Town, South Africa** as an event in cooperation with the International Atomic Energy Agency.

We would like to provide you with some additional information to allow you to plan effectively.

Invoices and Payment

Registration for the conference has closed and **all registered delegates should have received an email with an invoice** for payment from the iThemba LABS Finance Department. Along with that invoice is information related to the various payment options available to you. Should you not have received an invoice, please contact anpc2025@tlabs.ac.za as soon as possible.

Note that for delegates, the registration fee includes both the Welcome Function and the Gala Dinner as well as lunches and teas during the week. For accompanying persons, the fee includes the Welcome Function and Gala Dinner.

Social Functions

There will be a Welcome Function on 23 November 2025 and a Gala Dinner on 27 November 2025. For both events, there will be some transport options available for delegates. In order to plan effectively, we need **information related to whether transport is needed and where delegates are staying**. To that end, we have created a spreadsheet and would like to request that delegates complete it **as soon as possible**:

Welcome Function

The details for the Welcome Function for ANPC 2025 are as follows:

Date: Sunday 23 November 2025

Time: 18h30

Venue: Moyo, Kirstenbosch Botanical Gardens, Newlands, Cape Town

Google Maps: <https://maps.app.goo.gl/DGbkrpZhQdy42EnT7>

Note that the entrance fee for the Gardens has been waived for delegates.

A bus will leave iThemba LABS at 18h00 and return to iThemba LABS after the Welcome Function.

Gala Dinner

The details for the Gala Dinner for ANPC 2025 are as follows:

Date: Thursday 27 November 2025

Time: 19h30

Venue: Eikenhof Estate, Fischers Rd, Bottelary Hills, Stellenbosch Farms

Google Maps: <https://maps.app.goo.gl/QFZWktRRLXdWzwMT7>

The conference programme ends at approximately 18h00 on Thursday 27 November 2025 and, as such, a bus will leave iThemba LABS at 19h00 for the dinner and will return to iThemba LABS at approximately 23h00.

Programme

A PDF version of the conference programme is now available [here](#). The Indico timetable will be populated. Note that all constraints that were communicated with the organisers have been accommodated. Please check the scheduling of your talk carefully and ensure to load your talk onto the system well in advance of your session. Please also ensure that you check the time allocation for your slot and we request that delegates adhere to these as closely as possible.

Poster Session

A poster session will be hosted on the evening of **Monday 24 November 2025 from 18h00**. Refreshments will be provided and we encourage delegates to spend some time chatting with those who have prepared posters for the event.

Public Lecture

A public lecture will be given by Distinguished Professor Christian Iliadis on **Tuesday 25 November 2025 at 18h00**. His talk will focus on Cosmic Furnaces and the Origin of the Elements.

Excursions

There has been time allocated in the programme on the afternoon of Wednesday 26 November 2025 to allow for the conference delegates to go on an excursion of their choice. The programme for that day will end at 12h00 and a packed lunch has been organised for each delegate.

The excursion options are provided [on the conference webpage](#). The service provider is African Eagle Tours.

Please note that delegates must arrange and pay for their own excursions. To book, please contact Courtney Lamont (courtneyl@aecpt.co.za) and cc Shehaam Williams (shehaamw@twfcpt.co.za). In your email, please specify that you are booking as an ANPC delegate.

Tour of iThemba LABS Facilities

There is the additional option of **a tour of the iThemba LABS facilities**, which will also run in the afternoon on Wednesday 26 November 2025. Should you be interested, please complete the following spreadsheet:
