

The African Nuclear Physics Conference 2025 (ANPC 2025)

Monday 24 November 2025

Session 1: Opening Session (09:00-11:15)

-Conveners: Lindsay Michelle Donaldson

time	[id] title	presenter
09:00	[120] Welcome from the Conference Organisers and Safety Briefing	DONALDSON, Lindsay Michelle
09:10	[121] Welcome from iThemba LABS	TSHIVHASE, Makondelele Victor
09:15	[122] Keynote Address	NELWAMONDO, Fulufhelo
09:30	[17] The Proton Therapy Initiative at the University of Cape Town	BUFFLER, Andy
10:10	[102] IAEA activities in support of nuclear physics research and applications	KANAKI, Kalliopi
10:35	[87] Low-Energy Nuclear Physics Research at iThemba LABS: Highlights from the H-Line Facility	MALATJI, Kgashane
11:00	[46] NUMEN project experimental studies with the K600 spectrometer and MAGNEX detector	KHUMALO, Thuthukile
