

The African Nuclear Physics Conference 2025 (ANPC 2025)

Friday 28 November 2025

Session 15: Nuclear Astrophysics and Structure (14:15-15:10)

-Conveners: Luna Pellegrini

time	[id] title	presenter
14:15	[96] Photoabsorption Cross Sections and Branching Ratios in Light Nuclei Studied by Proton Scattering	TAMII, Atsushi
14:40	[31] PANDORA Project: Photonuclear Reactions in Light Nuclei	BEKKER, Jacob
14:55	[61] Investigating the Photon Strength Function for 61Cu using 60Ni (p, γ) Reaction at iThemba LABS	MODISE, Tshegofatso Goitseone
