

The 7th Biennial “Workshop on Discovery Physics at the LHC” (Kruger2026)

Dear Colleagues

We are pleased to announce the Seventh Biennial “Workshop on Discovery Physics at the LHC” (Kruger2026), to be held from **30 November to 4 December 2026**. Please find details on the conference web page <https://indico.tlabs.ac.za/event/141/> and the attached poster.

The workshop will be held near the Kruger National Park.

The conference aims to promote scientific exchange of new results and development of novel ideas and models related to the physics of the LHC. The following topics will be covered:

- Particle Physics,
- Heavy Ion Physics,
- Physics After the Discovery of the Higgs Boson.

Accommodation, registration, abstract submission and other practical details will be announced at a later stage. Attendance will be limited to about 100 participants because of the number of available rooms in the hotel.

Please direct any queries to kruger2026@tlabs.ac.za, or any member of the LOC.

Looking forward to some wild physics,
Isobel Kolbe (for the LOC)

Members of the Kruger LOC:

Kevin Barends
Muaaz Bhamjee
Zinhle (Edith) Buthelezi
Simon Connell
Alan Cornell
Siegfried Fortsch (Co-chair)
WA Horowitz
Deepak Kar (Co-chair) *
James Keaveney
Isobel Kolbe (Co-chair)
Mukesh Kumar
Mawande Lushozi
Pedro Mafa
Rachid Mazini
Bruce Mellado
Azwinndini Muronga
Loan Truong
Michelle van der Ventel - Bark

KRUGER 2026

The 7th Biennial “Workshop on Discovery Physics at the LHC” (Kruger2026)

*Deepak was central to the organising of this workshop until his untimely passing in December 2025.
