

KRUGER2012 International Workshop on Discovery Physics at the LHC

Friday 07 December 2012

Parallel Session XIV (14:30-17:00)

time	[id] title	presenter
14:30	[53] Searches for supersymmetry in resonance production, R-parity violating signatures and events with long-lived particles with the ATLAS detector	Dr HAYWARD, Helen
15:00	[57] Search for Exotics new particles with the ATLAS detector	Dr ALMOND, John
15:30	Afternoon Tea	
16:00	[100] Evidence for an excess of B to D(*) tau nu decays at BABAR	Dr KOWALEWSKI, Robert
