

KRUGER2012 International Workshop on Discovery Physics at the LHC

Monday 03 December 2012

Parallel Session I: BSM, Exotics (14:30-17:00)

time	[id] title	presenter
14:30	[3] Probing extra-dimensions at the LHC using quartic photon W and photon Z anomalous couplings	Mr ROYON, Christophe
15:00	[31] Searches for a light Higgs and dark photons at BABAR	Mr SO, Rocky
15:30	Afternoon Tea	
16:00	[73] Search for the neutral sypersymmetric Higgs boson at CMS	Mr BRANCA, Antonio
16:30	[13] Searches for neutral and charged Higgs bosons in the ATLAS experiment as a test of physics beyond the Standard Model	Dr FERRARI, Arnaud
