

High-performance Signal and Data Processing: Challenges in Astro- and Particle Physics and Radio Astronomy Instrumentation

Contribution ID: 70

Type: **not specified**

Noise Sensitivity of VHF Broadband Interferometers

Friday, 31 January 2014 11:00 (20 minutes)

Primary author: Mr WEN, Chih-Fong (Brady) (University of KwaZulu Natal)

Presenter: Mr WEN, Chih-Fong (Brady) (University of KwaZulu Natal)

Session Classification: Parallel Session IV - High-speed Signal Processing Platforms and Software
