

First Announcement and call for abstracts

The 6th in the series of the International Conference on Collective Motion in Nuclei under Extreme Conditions (COMEX6) will be held from **Monday October 29, 2018 to Friday November 2, 2018 in Cape Town, South Africa.**

We are pleased to announce that the call for abstracts is now open for COMEX6. Please visit the website at <http://www.comex6.tlabs.ac.za> for more information.

The main topics of the COMEX6 conference are:

- Giant resonances in cold and hot nuclei
- Collective and new excitation modes in nuclei
- Spin and isospin modes
- Clustering and pairing in excitations
- Studies of the decay of highly excited states
- Applications in astrophysics
- Novel instrumentation and methods

Looking forward to meeting you in Cape Town and please do not hesitate to contact us on comex6@tlabs.ac.za.
