

WORKSHOP ON DISCOVERY PHYSICS AT THE LHC

Kruger2018

December 3 - 7, 2018 - Casa do Sol Hotel, Hazyview, Mpumalanga Province, South Africa

SECOND ANNOUNCEMENT

We are pleased to announce the **Fifth Biennial Workshop on Discovery Physics at the LHC (Kruger2018)**.

Registration and abstract submission is now open. Attendance will be limited to approximately 100 participants.

The Workshop will be held at the 4-star Casa do Sol Hotel, just a 15 minute drive from the entrance to the Kruger National Park. Accommodation at special negotiated rates are available at the workshop venue. Available rooms are limited and delegates are encouraged to make their bookings as early as possible. Additional rooms are available at Sanbonani Resort Hotel and Spa (approximately 15 minutes away) at the same rates. Daily shuttle services will be available to/from the workshop venue and the Sanbonani Resort Hotel and Spa.

Please find details on the conference website at: <https://indico.tlabs.ac.za/event/75/>

The conference aims to promote scientific exchange of new results and development of novel ideas and models related to the physics of the LHC.

The following topics will be covered:

- Heavy Ion Physics
- Physics of the Standard Model and beyond

Limited funding for South African students is available.

We look forward to seeing you all at Kruger2018.
