

# Kruger2018: Discovery Physics at the LHC

## Monday 03 December 2018

### Parallel 01 (15:00-16:20)

time	[id] title	presenter
15:00	[45] Precision electroweak results from ATLAS and CMS	SALVATICO, Riccardo
15:20	[51] Tests of Lepton Flavor Universality at LHCb	MUELLER, Katharina
15:40	[12] Dark matter search in events with missing transverse energy and a Higgs boson decaying to two photons with the ATLAS detector	LIAO, Shell-may
16:00	[18] Diboson measurements from ATLAS and CMS	FREUND, Benjamin
