

Kruger2018: Discovery Physics at the LHC

Monday 03 December 2018

Poster Session (17:00-18:00)

[id]	title	presenter	board
[10]	Fake-Rate Determination for the ttH Coupling Measurement with a Signature of Two Same Electric Charge Light Leptons Associated with a Tau Using the ATLAS Detector at the LHC	Mr MELO, Hugo	
[11]	Search for non-resonant Higgs boson pair production	TAYLOR, Alan	
[13]	Search for a Heavy Boson in $ZZ \rightarrow 4l$ with the ATLAS Experiment at the LHC	ATLAS COLLABOARTION	
[14]	Search for a Higgs boson decaying through Z_{dark} to 4 leptons	Mr BOYE, Diallo	
[15]	Search for diboson resonances in the $lvll$ final state	ATLAS COLLABORATION	
[40]	A Characterisation and Reconstruction of Radial Strip Sensors in Preparation for a Higher Radiation Environment in the ATLAS Detector at CERN	ATKIN, Ryan Justin
