

International MUON Workshop 2019 (ALICE)

First Announcement

Dear Colleague,

iThemba LABS (Laboratory for Accelerator-Based Sciences) is hosting the next International MUON Workshop in Cape Town, South Africa from **1 – 5 April 2019**. This event is being held under the auspices of the Muon Group of ALICE, the SA-CERN Program and iThemba LABS.

A comprehensive scientific program, encompassing a full range of topics and activities related to the Muon Spectrometer, will be covered. Delegates and accompanying persons will also enjoy an interesting social program.

Accommodation will be available at the Protea Hotel Cape Town Waterfront Breakwater Lodge, a hotel at the doorstep of the pulsating Cape Town Waterfront and about 30 km from iThemba LABS. Since we have made a block booking all delegates are requested to make their own reservations at this hotel by not later than **31 January 2019**.

The registration fee of R 5500 will include the conference fees, the opening function, lunches during the workshop, the conference dinner and the daily transport between the hotel and the venue at iThemba LABS.

An excursion which can be reserved optionally will take the delegates and accompanying persons on a scenic trip to view the Penguins at Boulders beach followed by a visit of the Cape of Good Hope Nature Reserve.

Further information regarding registration and accommodation is available on the website (<https://indico.tlabs.ac.za/event/80/>).

Note that Papers for oral presentation will be selected by the Scientific Committee.

The deadline for early registration and financial support (Students registered in South Africa only) is **15 February 2019**. Online registration will be available from **18 December 2018**.

Siegfried Förtsch

Chair: MUON Workshop 2019 Local Organizing Committee
