

1st Circular and Call for Abstracts

The first in the African Nuclear Physics Conference (ANPC) series combines a topical nuclear physics conference with working group sessions aimed at focused discussions on select open questions in nuclear physics.

The ANPC will be held from **Monday July 1, 2018 2019 to Friday July 5, 2019 at the Protea Hotel Kruger Gate at Kruger National Park in South Africa.**

Please visit the website at <http://www.anpc2019.tlabs.ac.za> for more information and for the submission of abstracts by 20 February 2019.

The main topics of the ANPC 2019 conference are:

- Nuclear Astrophysics
- Nuclear Structure, Reactions and Dynamics
- Fundamental Interactions
- Neutron Physics
- Heavy Ion Physics
- Applied Nuclear Physics
- New Facilities and Instrumentation

The topic for the working group sessions is:

- Low-lying Dipole Modes of Excitation in Nuclei

We are looking forward to meeting you at Kruger National Park and please do not hesitate to contact us on anpc2019@tlabs.ac.za.
